

INSIGNIFICANT ACTIVITIES

Use this form to document the insignificant activities at the source. The listing of all insignificant activities satisfies the requirement of 326 IAC 2-7-4(e). This form may also be used to identify units (facilities) exempted from state or federal regulation. FESOP applicants need only list those activities determined to be insignificant.

Unit ID 1	Description 2	Emission level 3	U 4	Pollutant 5	Citation 6
